Kia orana Kati

It was such a pleasure to host Mareta and Noa and look forward to continuing our relationship with the Cook Island health professionals. I am so pleased they had a wonderful time in the Hokianga. Let's keep in touch and plan well in advance of their next visit.

Dear Peter and Margareth ,

thank you for your support in getting Mareta and Erenoa to Hokianga .

It was a reallly good few days , we enjoyed having them .

I will be back in the Cooks in July attending the Annual Cook Islands health Conference. and will catch up with them and the rest of the team then.

It would be great to to build the links between the Cook Islands and Northland and our respective organisations - there is huge potential gains for all .

Be in touch

Dear Peter, Margareth, Dr Kati and Dr Clare,

Thank you so much for the sponsorship from Rotary,(and our very own MOH), the organisation(despite receiving it at last notice) and your kind hospitality while Erenoa and I were there at Whangarei and Rawene.

The experience was a real eye opener for both of us and we definitely will be putting through some recommendations for us here in the Cooks.

We hope that this relationship will definitely continue as there is so much that our fellow colleagues can learn from this and it is something that they should experience first hand.

Thank you again.

Dr Mareta Jacob
