**Guest Speaker – Latoya Hood from Pepi Pride.**

Latoya is a youth worker for Whangarei Youth services and went away to the Northland Youth Summit where they developed an initiative to support struggling parents who find it hard to manage day to day costs for their children.

From this was born **Pepi Pride**, check out <https://www.facebook.com/pepipride>

They are collecting all pre-loved goods to give to struggling parents. On 8 November at their headquarters in the Rose Gardens between 11am and 3pm they plan to pass on all donated goods to any parent that need help. They have collected Cloths, Toys, books, push chairs etc, all being stored at various places and they would welcome more. The old library is one collection point.

Latoya is obviously passionate and is clearly a future leader and when asked if she would like to attend a Rotary Leadership workshop, she was very keen, Latoya has just been to Outward Bound and came back full of enthusiasm.

### **Parting thought from Roger**

**“Nothing in this world can take the place of persistence. Talent will not; nothing is more common than unsuccessful people with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. The slogan "press on" has solved and always will solve the problems of the human race”**
